Dear Sir

I thank you very much indeed for the parcel you so kindly sent me, which is much appreciated. I hope Mrs Poole & yourself keep well. My wounds are going on very nicely & I hope soon to be able to get home to Boston again for a few days sick leave, before joining my regiment. Again thank you very much for the parcel you so kindly sent me with best wishes for 1918.

I remain

Yours respectfully

(Pte) Frederick Loveday
